VISTA DEL AÑO 1973

Patty,
Wow! Songleading is over, but I kind of wish it wasn't. I had more good times than bad. It's too bad that Lydia yelled at you alot. I covered for you alot. Camp was a blast. I couldn't of hare asked for a better roommate. Remember at devereis when you crashed into the camper and took off? I'll never forget it. I hope that you and Ken still last a life time. I guess I won't be seeing you until homecoming. But if you have any time call or drop by. Well All our routines together all 4 of them.

Patty
I hope that all the years ahead of you be all that you want them to be
I hope that I see you next year at Vaquels and that we can work together again. I will be in to see you almost every saturday night to see how your doing.
Good luck in the future.
Love

P.S. Take good care of Ken so that he can push you around when he wants to.

Patty,
I really didn't get to talk to you that much this year but I'm glad we still remained friends. It was a pretty good year and I think we all liked and enjoyed Mr. Spaulds stories. I'll probably see you in the summer. Good luck always

— Patty —
I'm glad we were so close these last four years cause I think your the first, I can remember a lot of emotional times and I'm glad I was there to help and lend a hand. You've helped me alot too in my thinking as well as my actions. I hope you don't hate me for some of the things I've done or said the last year or so, you've said I've changed but I really haven't (honest) If there anything I can ever do for you Pat, let me know by giving me a call I mean it!! See you at the beach I'm sure and at good old Rose Hills.
Love —
Ramon.

Patty—
You're even more of a koo-koo bird than I am but koo-koo birds have more fun anyway. Remember all the great times in Rhythm Mares, I'll never forget them. Good luck.

Patty-
I like to surround myself with talented people so I consider you as one of my friends. I can't stand people leaving who I never fully got to know. But I do enjoy seeing people I know can make it venture out into the world. You've got what it takes.
Good luck,

Pitcher

His art is eccentricity, his aim
How not to hit the mark he seems to aim at,

His passion how to avoid the obvious,
His technique how to vary the avoidance.

The others throw to be comprehended, he
Throws to be a moment misunderstood.

Yet not too much. Not errant, arrant, wild,
But every seeming aberration willed.

Not, yet still, still to communicate
Making the batter understand too late.

The Invoice

I once wrote a letter as follows:
dear Jim, I would like to borrow
200 dollars from you
to see me through.

I also wrote: dearest M/
please come.
There is no one
here at all.

I got word today,
viz: hey
sport, how are you making it?
and, why don't you get with it.

Patty,
I sure am glad there is someone else in this school that hates tumbling as much as I do. Swimming was okay. I've known you for now for the last four years. I even remember that joke you told us at Cathy Simon's slumber party when we were freshmen. It's been along time! If I'm not mistaken I think we were in the same Home Ecn. class before our freshmen year. Well Patty Sue, or whatever, you're really sweet and I guess you could say you made it and did it at a great pace. Best of luck to you always and enjoy life as much as you can.

The flat

Calmly I step on the brakes,
grip the wheel with the firmness to choke a bear,
and ease to a stop,
my wife hiding her relief
behind a knew-you-could-do-it (but do-be-careful)
leer, the girls proud
of big-daddy protector,
complete with sitting-up straight back
and neck of knowing

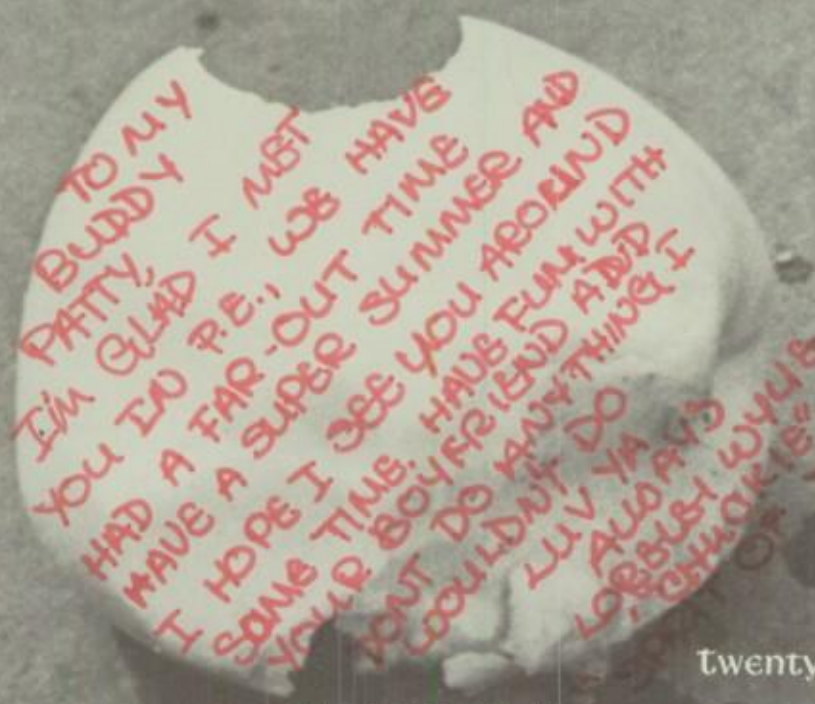
CALIF



Twenty-five

Where were we
when the coming of the rain
made us turn from conversation to the window?

In mustard fields maybe,
or the love jungle,
and as we talked
we were with others, not ourselves.

I was thinking of old birthdays and holidays gone wrong
and pretty people seen on street cars
but never met.
Selling soda bottles to pay for movie matinees.
I was twelve.
Tarzan was the man I most resembled in those days
how can I have grown so old without once swinging on a vine?
Did you think of party dresses
and high school plays
or hallways full of lovers not yet met?

The mind is such a junkyard,
it remembers candy bars
but not the Gettysburg address,
Frank Sinatra's middle name
but not the day your best friend died.

If in your mind there is some corner
not yet occupied with numbers you may never need,
remind your memory of the day
we turned to watch the rain
and turning back forgot
that we belonged to one another

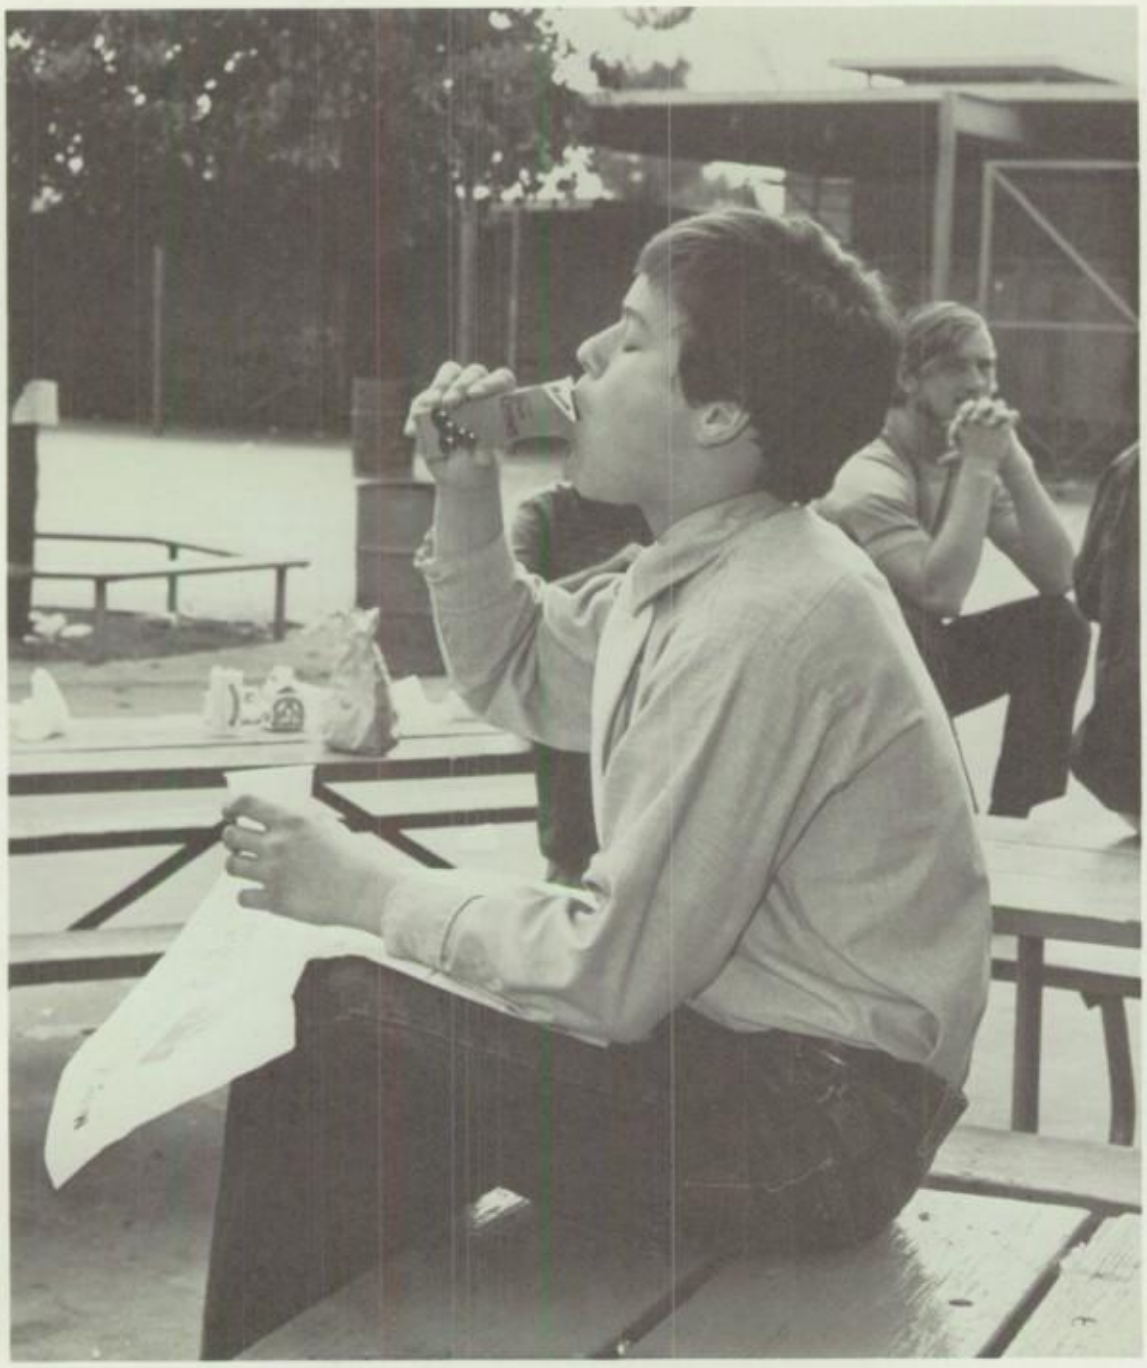
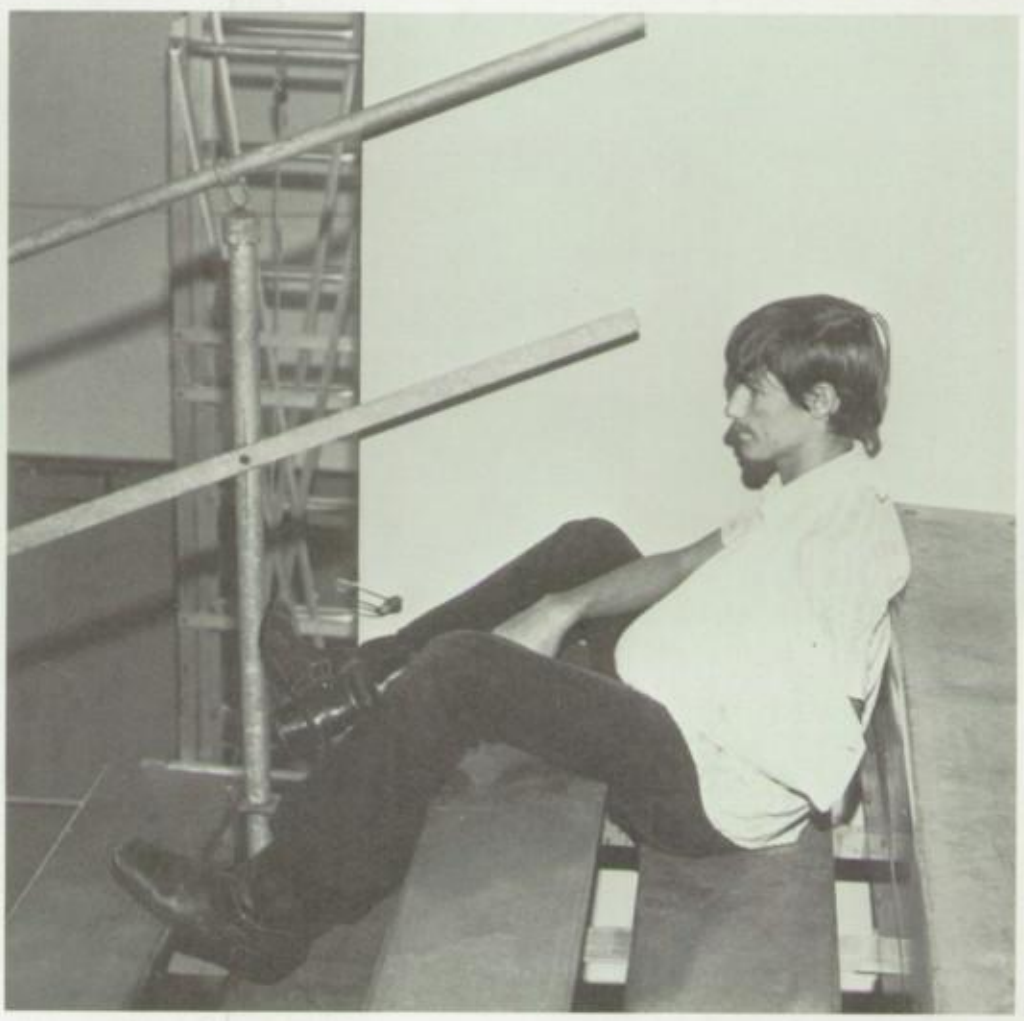
-James Schevill





how do you do . . .

What do you give me
When you give your name?
A wooden handle
To hold me from your heat -
Or small handhold I can use
To draw you close?
I'll touch it gingerly
Until I know.

Poem To Be Read At 3 A.M.

Excepting the diner
On the outskirts
The town of Ladora
At 3 a.m.
Was dark but
For my headlights
And up in
One second-story room
A single light
Where someone
Was sick or
Perhaps reading
As I drove past
At seventy
Not thinking
This poem
Is for whoever
Had the light on

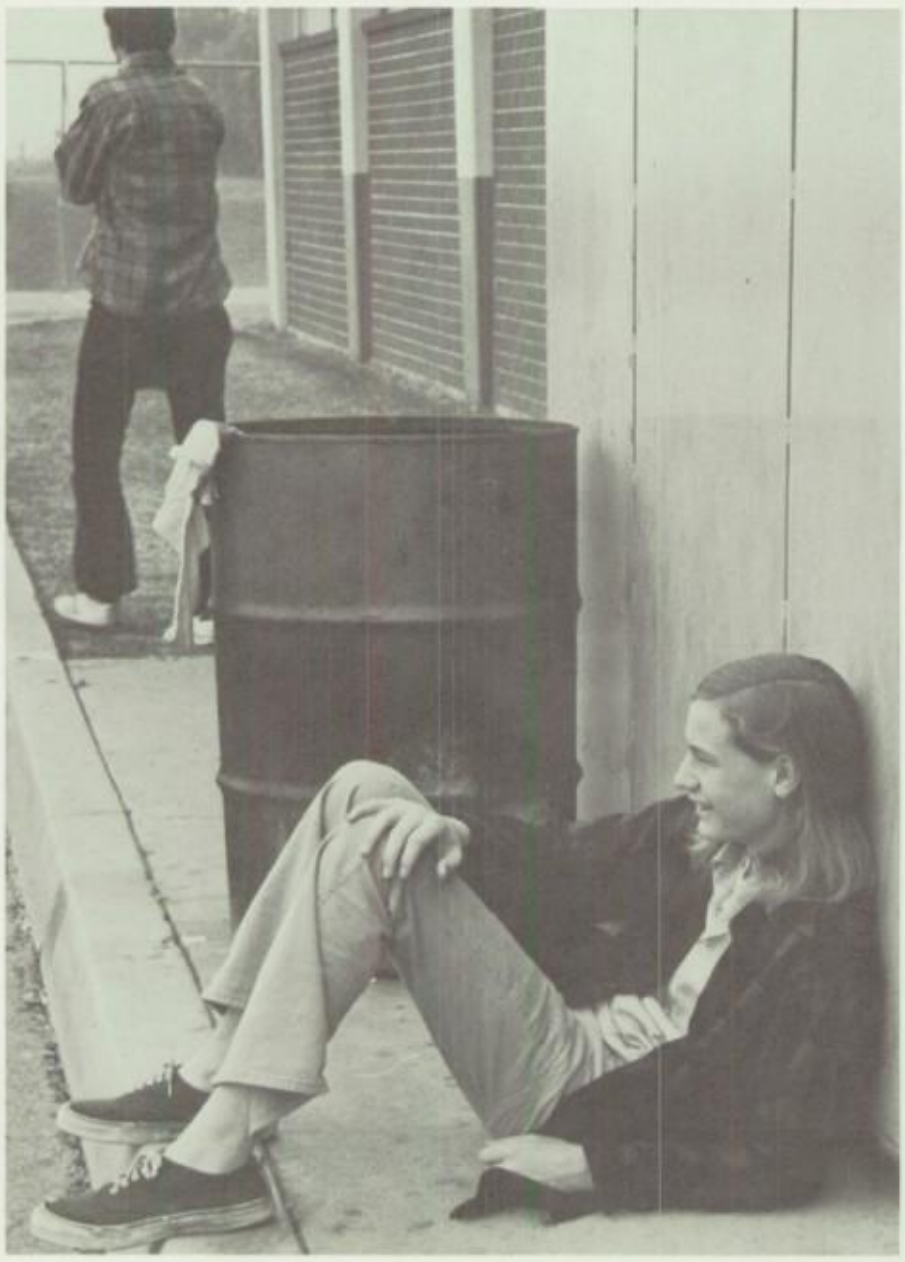
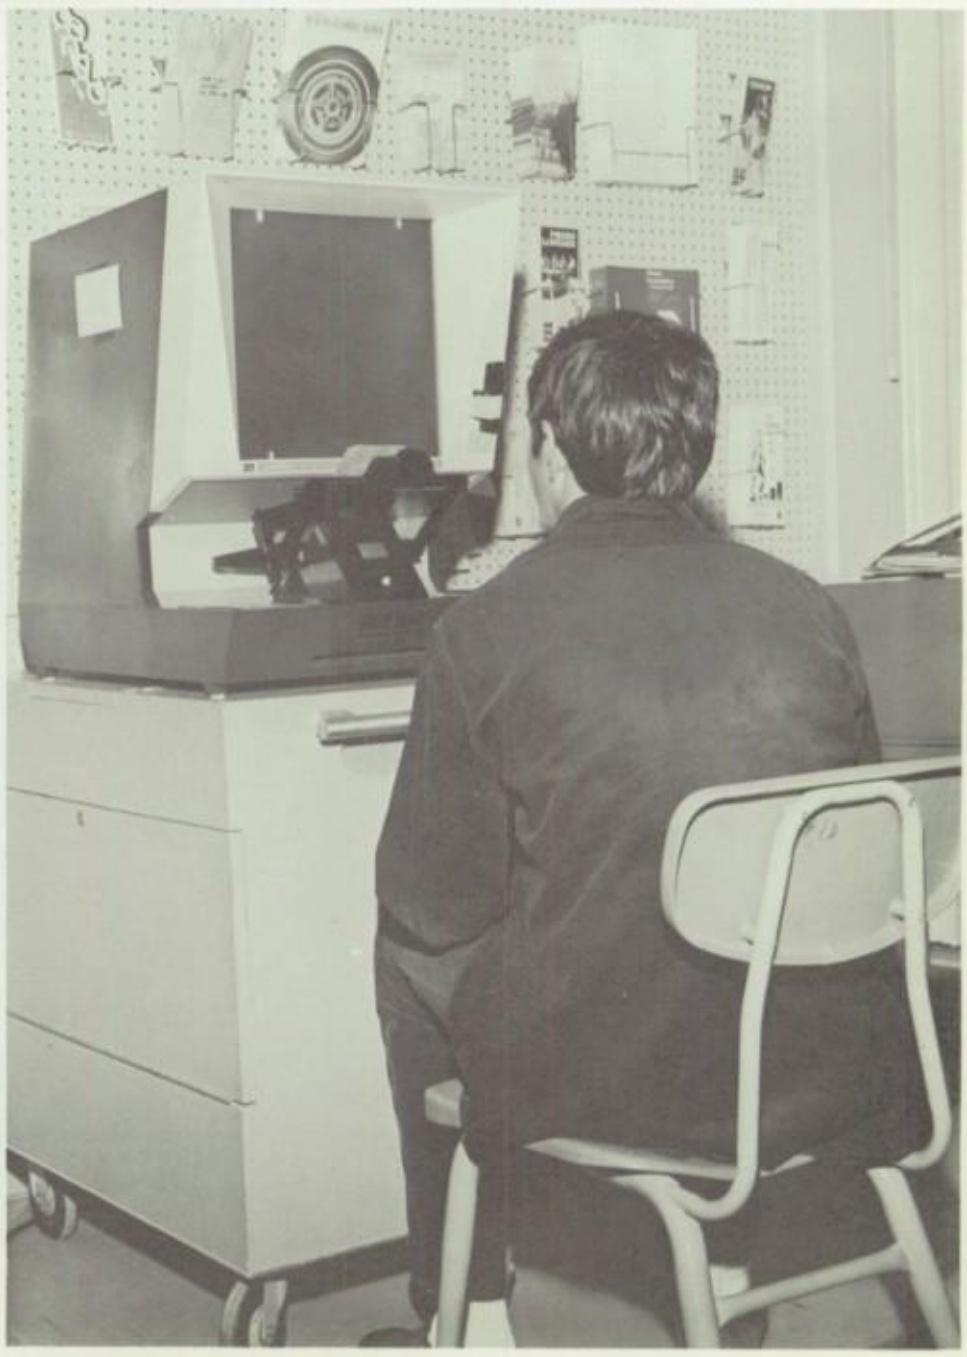
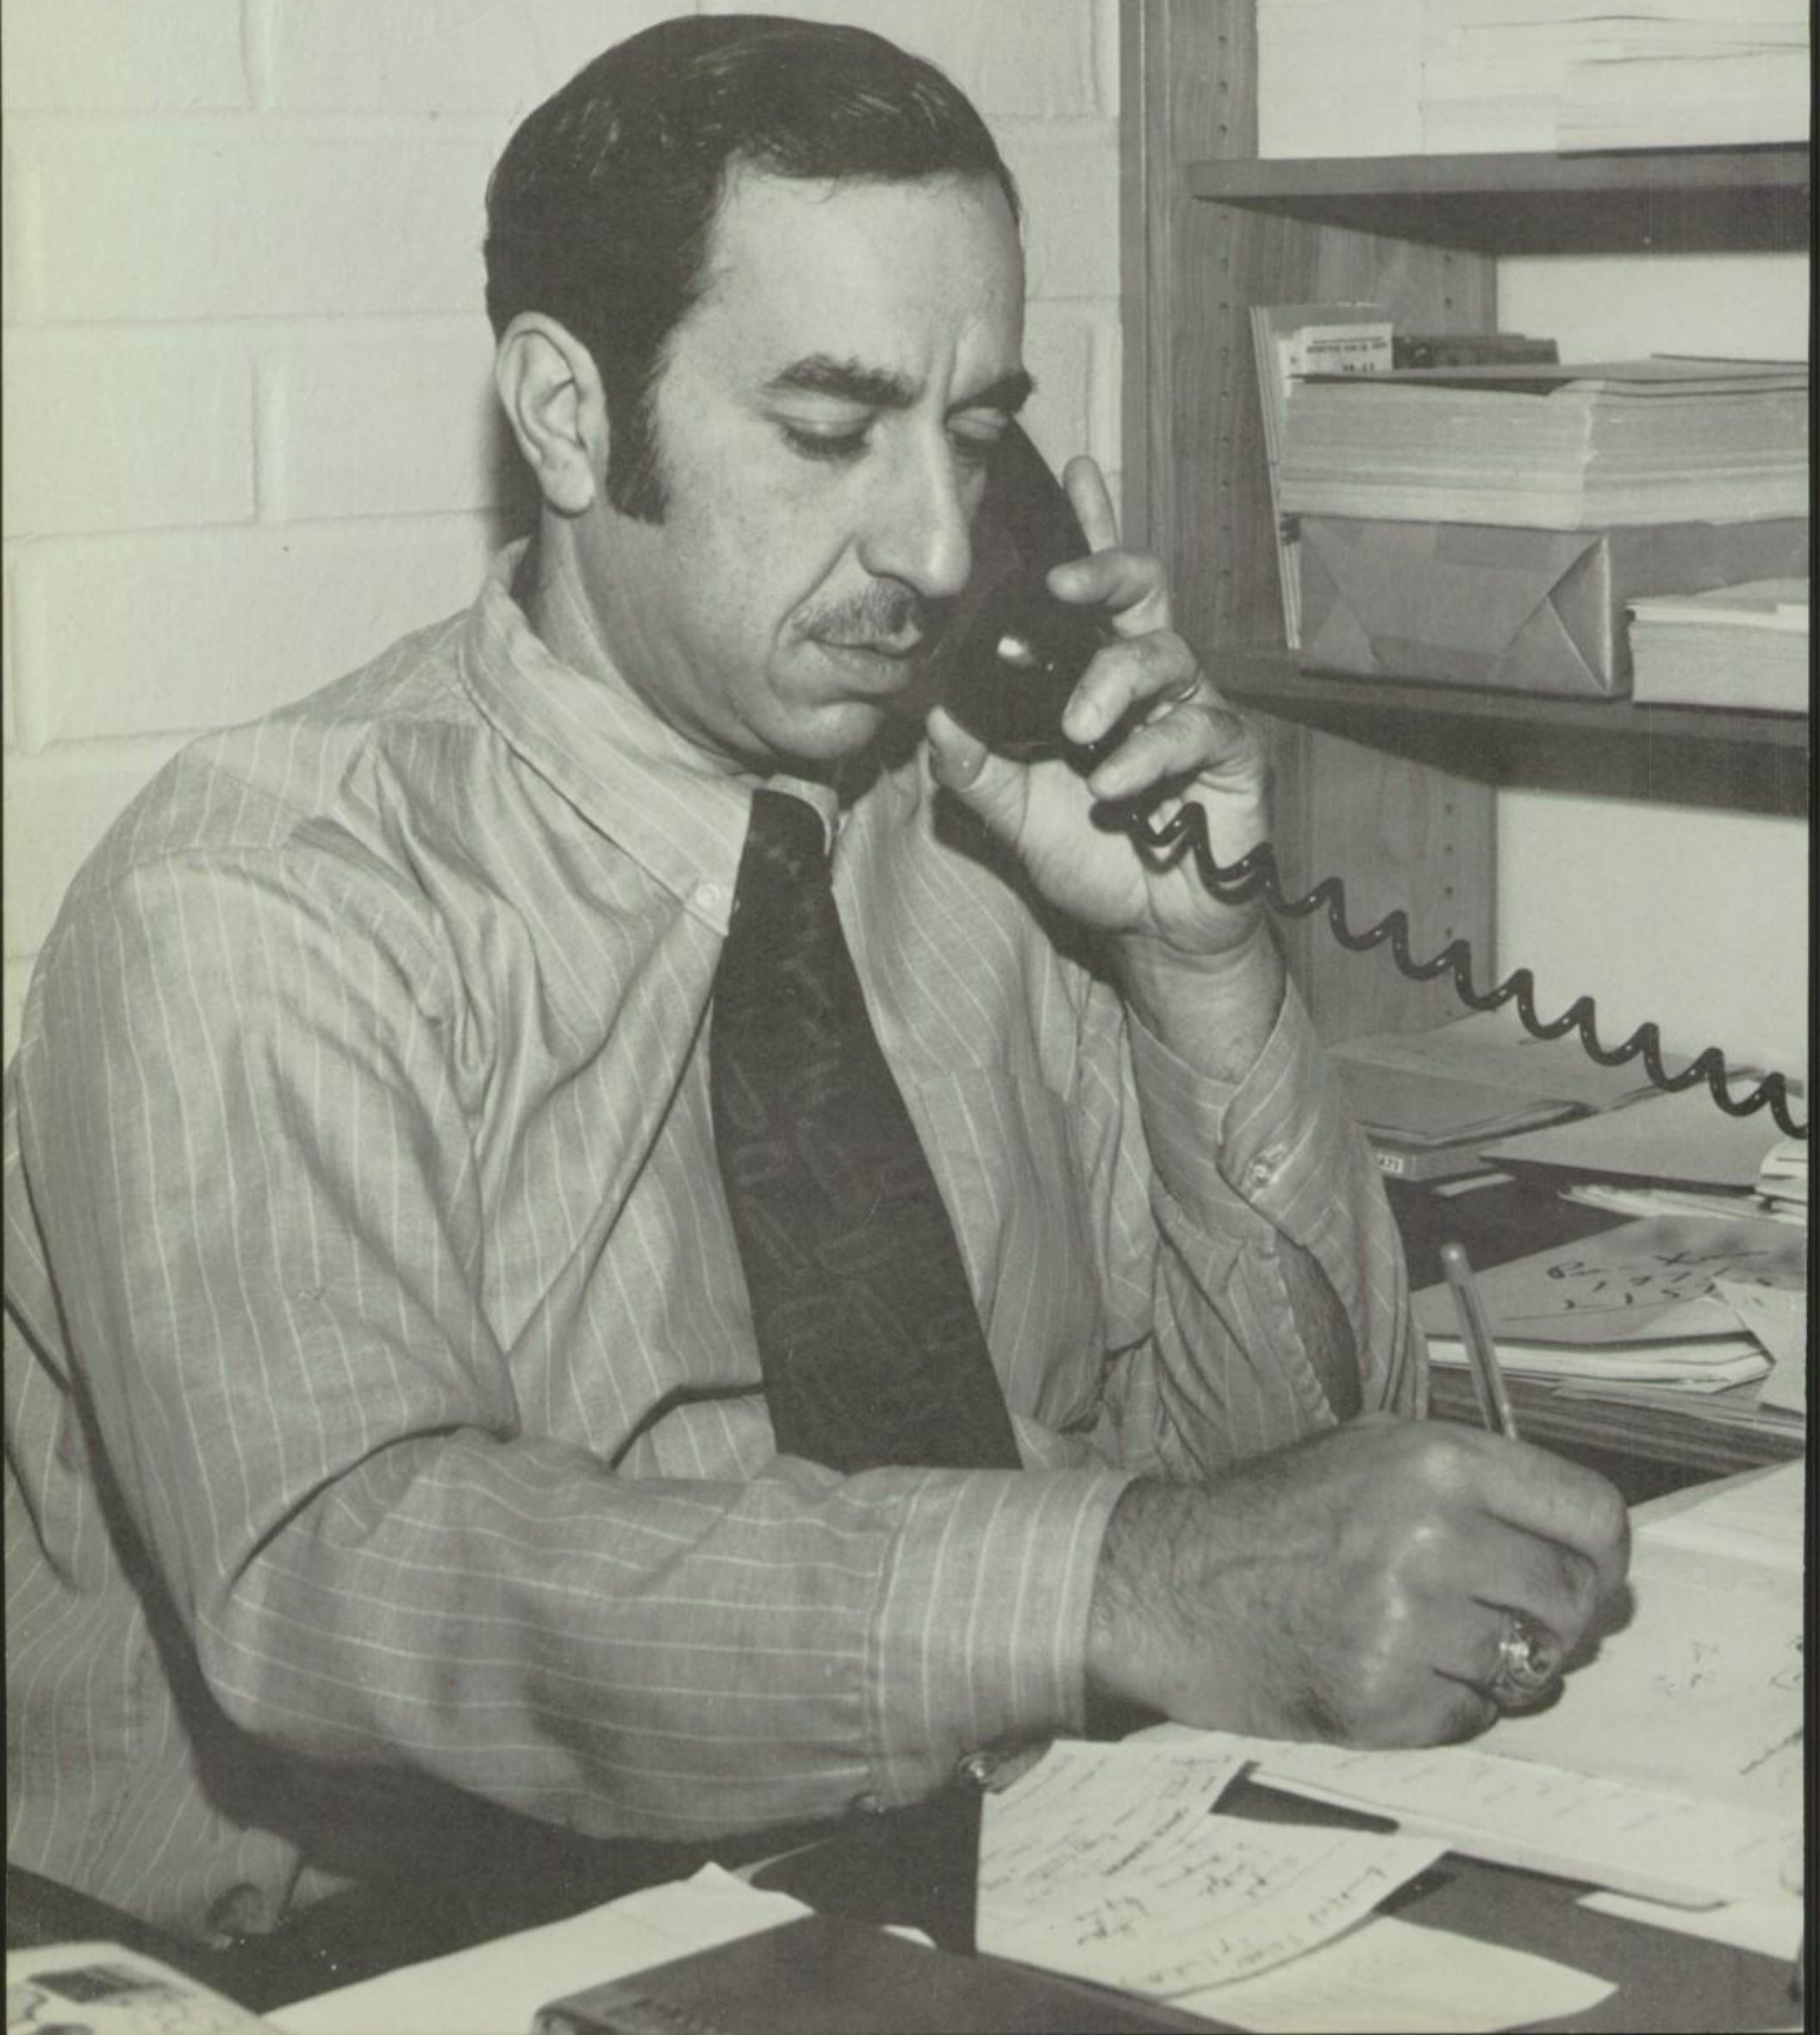
CLAUSING

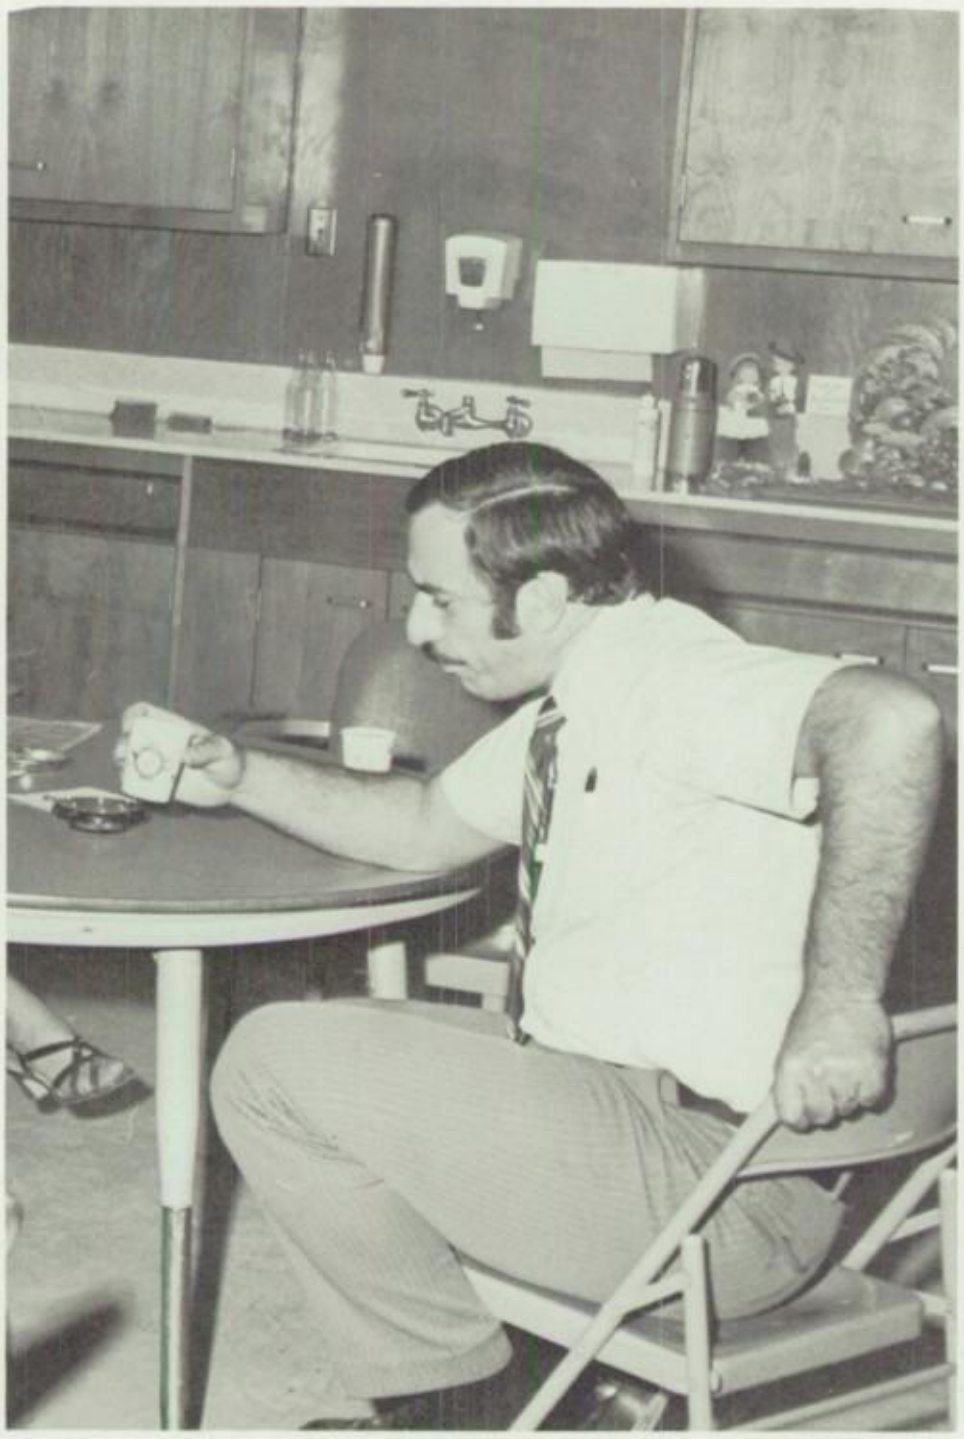




Dedicated to . . .

Ray Gerace





The 1973 Vista del Ano is being dedicated to a man that we feel has devoted a great deal of time and effort to helping the students of Monte Vista. During his eight years at Monte Vista, he has taught such subjects as Salesmanship, Typing, and the Pre-Christmas Sales Training Class, as well as having coached the Farm baseball team. He has been in charge of such activities as the General Work Experience Program, E.W.E.E. Office Experience, the new Career Center and is now directing the Extended Education Program. Through these activities he has shown himself to be our friend; therefore, we are proud to dedicate this yearbook to an individual who has been greatly involved with the students of Monte Vista.

Patty,
Well, our time is just about here and I really can't believe it. I can't decide whether I happy or sad, maybe a little bit of both. In all sincerity, I wish you so much happiness, more than you could handle. Try to achieve whatever you want out of life. Keep smiling Patty 'cause it really brings out the best in you. May God be with you always.

Much Love & affection,
Nori Westhoff

Patty, you always have a bright smile and it looks neat (typical standard opening for annuals!) I hope you always have a peaceful & successful life and you do good in everything. Do the things you enjoy doing most. Take care. Love, Krista (Stone)

Hey Geek
Wanda and all
the other name I called
You. But this is to

Patty— I know this may sound trite and
may be there that you've read before but
I really mean this. I glad that we are friends.
Your friendship means a great deal to me. I can't
say enough about it. You were always there when
I needed someone (SOMETHING REAL COOL) to talk to. I glad you were
there. I hope that I get together again because your graduating that
we won't see each other again. Maybe we can
get together" (that sounds dumb). But I really hope so.
I don't really think that I can say anything
more about our friendship. But I think you
know anyway.

So really,
Love always and
Good Bless, Good luck
in the future, (ANYTHING ELSE I CAN SAY)
Love always

Patty -
You're really a great person. I've never known a girl as talented as you are with your sweet personality and disposition. Most talented people are snotty but not you. You take it as it is given and I think that is a rare quality in a person. Thanks for sharing with me the things you did in the Fantastiks and also in The Twelve Angry People. Thanks for everything. Have fun this summer and best of Luck in your whole new life. If anyone can succeed it's you. Hope to see you sometime.

Patty! To bad your a senior I was just getting used to your foxy ways. I hope you have a good summer and good luck with Ken.

Love,
Bob (Stambaugh)

P.S. see you at Farrells!!

Patty, to have a friend as honest, warm & sensitive is very hard to find! & to tell you the truth I haven't met anyone quite like you in Sometime now. You're all of those things and Sincerly I really love you to pieces. Through this year of cheerleading me & you have gotten really close & it feels good to know that Someone is just as crazy as myself!! ☺

Remember on Friday & Saturday nights at the Football games screaming our heads off. Or especially those Pep Rally's in the small Quad when neither me nor you knew what we were doing to those chants. (Hey we-got-me-) Then we musn't forget how Lydia (OH NO! Powder!!) always screamed & bitched at you for the things you couldn't even help. She is definetly a Weirdo!

Now the year has come to say-Good-bye to Monte Vista & your friends & if I continue with this stuff You'd have me crying!! :(

Cause without people like you at M.V. this school would go downhill fast!!

So here's wishing you happiness in your oncomming moments & if it really means anything at all you are something very outstanding!!

Yours Truly,
Lottie Kain

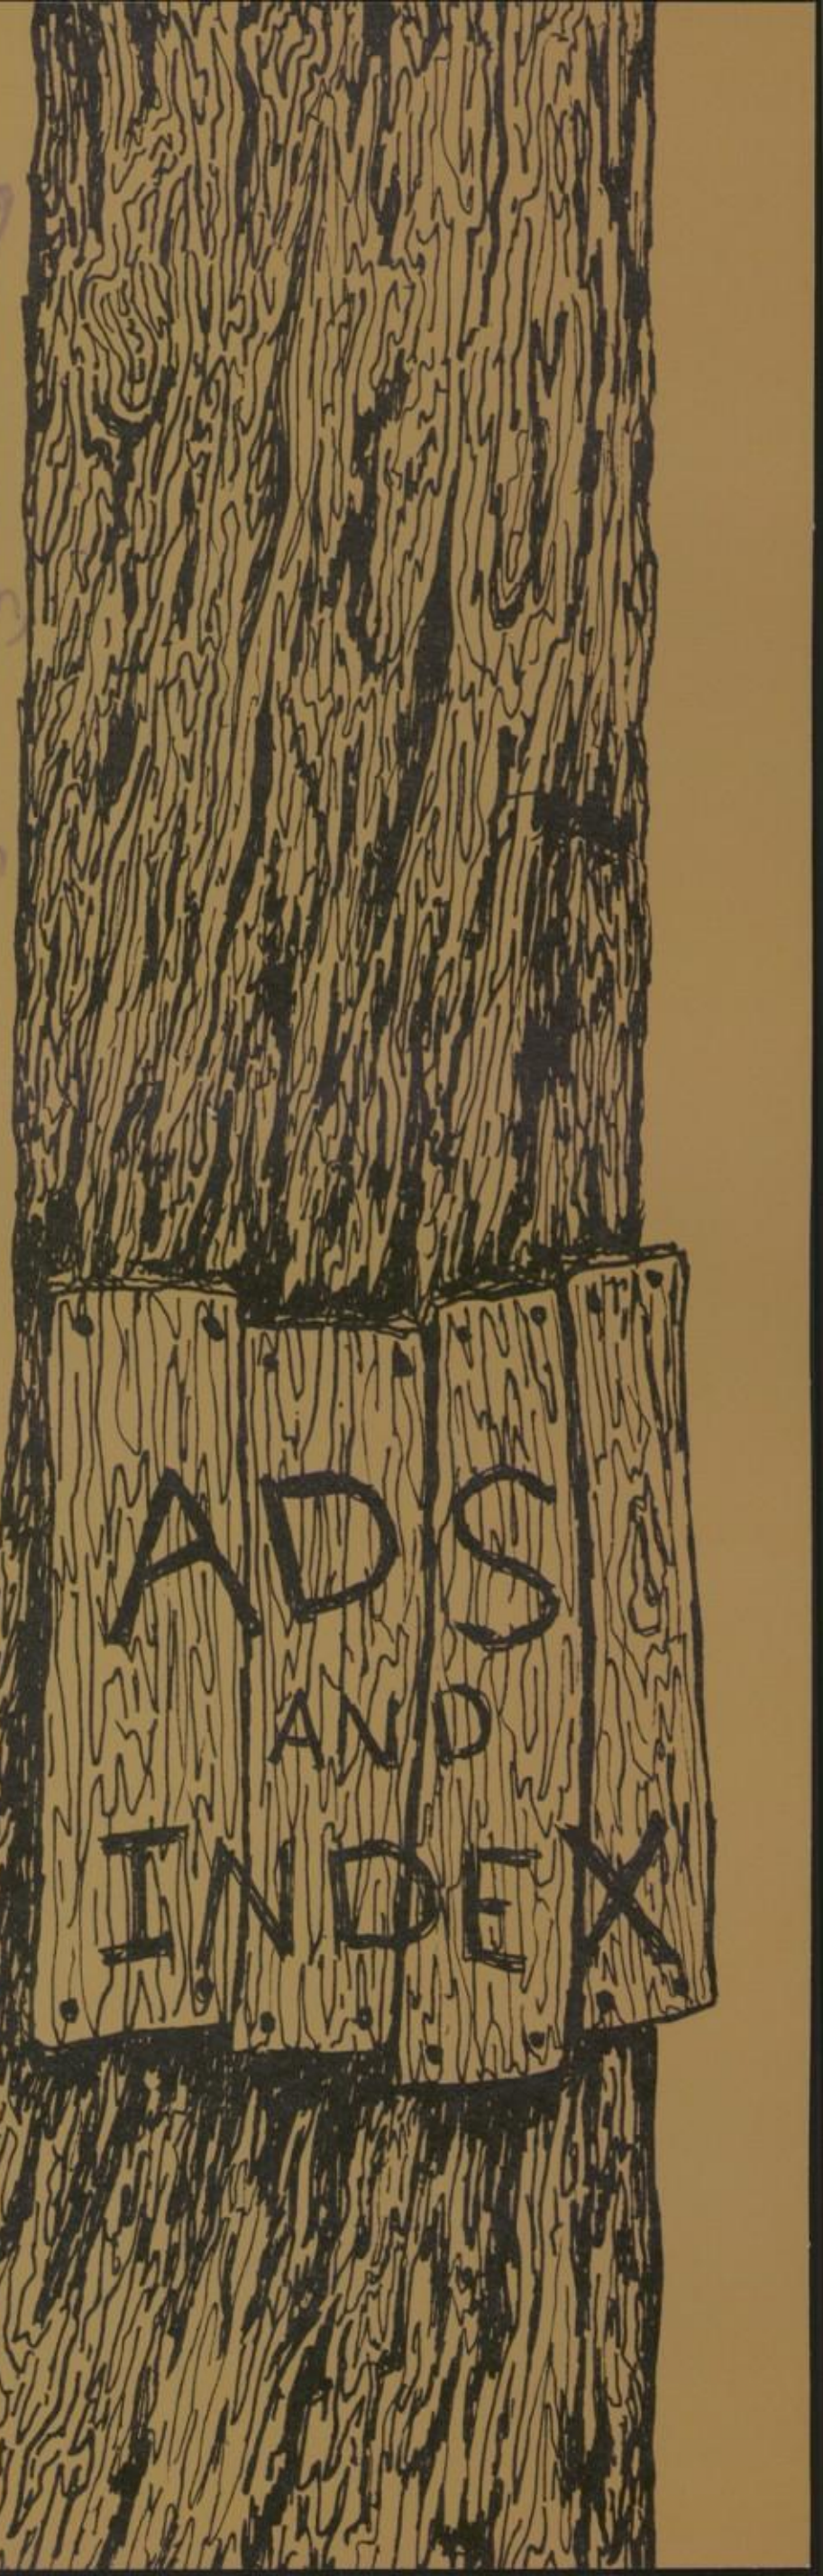
Dear Patty,
It really has been fun knowing you. You're a very nice, calm, and cool person. I've only known for a short time, but still I feel I could know you for a long time, you're that kind of a person, a very special person to me. I really enjoyed your being the locker under mine. Have fun this summer, and keep on having fun what ever you do. Good Luck!!

Love
ya
always
Roger
(Hampton)



Patty - I still remember the first time we met - it was during the summer just before I went to Hawaii, and Sue and I were up a M.V. I couldn't believe what an outgoing person you were and I knew right than that we'd have many more good times to share. Thanks for being the super good friend you've been - we've had many good times together. I'll always remember each one and cherish it. It's with people like you that I realize the true meaning of friendship. Thanks for all the help you've given to me. Take care in everything that you do and may happiness follow you always. I'm going to miss your bright smile and good personality while I'm at college - so you'd better write to me.

Love Always

Patty -
It's really hard to write anything as we really never got to know each other very well. I wish you happiness always as you seem to be so progressive. Bye for now.
Love,
Wright

To Patty,
You are my bestest donut munching buddy, and I'll never forget our big night eating at Winchell's. I thank you so much for your friendship. I don't know what I would have done without you to share things with. Thank God for everything - happy, sad, and goofy times. You are a geek, you are a beautiful person that a girl could ask for. Good luck always, dear friend, continue to bless in your life always and always.
Eternal love,

Well every-thing is finally over isn't that terrible of me to say! Our years at Monte Vista have been the best and the funnest. We have done so much & remember when we were the cutest couple, all four years of Rhythm maces and all the classes we have been in together. It is so sad it is all over. I hope we have a lot of fun after school is over. I hope we still will see each other even after the wedding. The annual staff put out a really pretty annual!! (So did annual staff when I was on the staff). Good luck and come over some time

Love Julie Trasowech

Patty,

Patty?

I've really enjoyed knowing you for all my high school years, but I wish I would have seen you more during my senior year. I really do like you and you really have a great personality and a warped (Ha Ha) ~~sense~~ sense of humor. Remember how much fun it was on the past week, I hope the future is even better for you. You can count on seeing me Friday night and I hope a lot more after that. Well, I gotta go. To one of my best and warmest friend ever

Love always Mike Kenny

Patty, You're insane! all you know that? What a bunch of talent are in one body? How do you do it, and then go to Farrell's! be sure to all those little parties! You and your mom are beautiful and I know will always keep in touch... Dare up to the sun, it's always shining, someone. Thanks for your smile! Love Meredith :)

Patty,
There are some people
I'll always remember
for the way they acted.
Their kindness &
concern you are one
of them. Although
I've never been real
good friends with
you I've felt like
it at times.
Thanks for all the
memories, the dances
at La Sierra, Pythm Mates
and Annual Staff.
I'll always remember your
smile & pepiness.
Good luck in all you ever do.
I really do hope I see you in the years ahead
& don't lose touch.
Maybe in 10 years or so our
class will have a REUNION.
Thanks again
for all the
Memories,
Love
